

Guide Development Committee
Minutes
December 16, 2011

In attendance: Suzanne Keers, Laura Weathered, Jessica Wobbekind (SSA PM)

1. LW provided an updated of John Paige's meeting with Bennett Haller, from the City's Dept. of Planning.
 - a. JP will continue to work on getting the plan adopted by the City. He is going to work on the Executive Summary and key points from the plan.
 - b. An annual report would be help in this project, we are working on one.
 - c. The City will be holding a meeting about SSAs and Master Plans in the near future.
2. BDI Market Study Update
 - a. There was a discussion on peer communities, we have been asked to select 6.
 - i. It would be good to include communities where the arts and businesses are working together economically
 - ii. Someplace that focuses on local and sustainability
3. There was a review of the façade rebate policy, the definition of routine maintenance and repairs was clarified to include glass repair, sealing, caulking
4. Project of the Year was discussed-
 - a. LW suggested a design completion that involves universities and artists.
 - b. We should think of a way to show designs and have the public vote on them.
 - c. The Transportation Committee is also thinking of holding Open Streets in WPB over the summer and is hoping that other committees will contribute some money.
5. Removal of Rush Hour Parking- LW is going to talk to the alderman about the best way to get it done.
